Notes to Editors:

YCO Group is a collection of specialist companies providing a diverse service offering to the superyacht industry.

The Group's principal activity is the management, sale, charter and project management of superyachts. Additional services include the search and placement of professional yacht crew and general yacht concierge services.

The Group has built a team of industry leading brokers enabling it to offer its services to its expanding client base.

In May 2008, YCO Group's shares were admitted to the AIM market of the London Stock Exchange through the reverse takeover of Deuxmil Marine PLC, making it the only UK listed yacht broker. The Company currently operates in Monaco, London, Antibes, Palma, Newport and the Gulf.
